WELCOME

Decade Reunions - 2026

The Executive of the Old Boys' Association is very pleased to publicise next year's Decade Reunions for all those year groups who departed the College in a "6" year.

Recent Reunions have left us with no doubt that such events are an important addition to the Association's activities.

We very much hope that you and your contemporaries do all you can to ensure that your reunion is a great catch up!

Individual year groups may choose their own activities and work in with Old Girls from St. Matthew's or follow the proposed programme.

Please mark it in your diaries (Friday 29th & Saturday 30th May 2026) and resolve to come along.
